

Update Your Kitchen with us.....

UNIVERSAL

MFG. OF : COMMERCIAL KITCHEN EQUIPMENTS ▶ EXHAUST SYSTEMS ▶ REFRIGERATION

Universal Equipment is a leading Manufacturer and Supplier of Commercial Kitchen Equipment in India since 2007. We manufacturing Commercial Kitchen Equipment, Exhaust System, Furniture and Refrigeration Equipment.

We undertake turnkey Commercial Kitchen projects of Hotels, Restaurant, Cafe, Fast Food Chain and Industrial & Institutional Canteens. Our CAD team can help our customers to design their Commercial Kitchen irrespective if it's a new facility or being renovated. Also we can supply entire range of Imported Kitchen Equipments.

Universal has earned its place in the market by fulfilling the commitments in time. This has been possible by up-lifting the manufacturing facilities with most advanced machineries coupled with sound technological setup. Continuous R & D has helped us in developing new equipments to suit the customer's need and modifying the existing ones as per the customer and market requirement. All these investments in modern facilities from time to time has helped in exponential growth in turnover. Delivery schedules are maintained with impeccable quality and upto date installations, which ensures desired performance for many years to come. Prompt after sales service is the back bone of our company.
